# NEW THIS WEEK!

**Thor: Love & Thunder (M)** Thor goes on a journey unlike anything he's ever faced — a quest for inner peace. But his retirement is interrupted by a galactic killer known as Gorr the God Butcher, who seeks the extinction of the gods. To combat the threat, Thor enlists the help of King Valkyrie, Korg, and ex-girlfriend Jane Foster, who — to Thor's surprise — inexplicably wields his magical hammer, Mjolnir, as the Mighty Thor.

**My Sweet Monster (PG)** Princess Barbara is secretly in love with Prince Edward. When the sneaky post clerk Weasel demands the king to marry him to Barbara, she flees. Sweet monster Boogey does everything in his power to help Barbara save the kingdom.
